**The Center for Advanced Studies Foundation**

The Center for Advanced Studies at Wheeler High School is quickly becoming *the* premier science, math and technology Magnet high school in Atlanta. In 2003, parents and community leaders joined together to create a Foundation to develop resources to support the needs of the Magnet program.

The Center for Advanced Studies Foundation provides numerous programs in furtherance of this goal. Magnet E-news, printed newsletters, Freshman Picnic, Lunch & Learns, gifted training & development, classroom materials and equipment, and teacher and staff support are just a few of the programs we offer.

Your generous annual support will help us meet the ever-increasing demands of our rapidly growing Magnet program. Last year we raised over \$25,000 and we're striving to surpass that amount this year. Please choose a level of annual support below. This year, donors of \$750 and higher will receive invitations to a dinner hosted by Magnet Director, Dr. Tiffany Stark, and donors of \$1000 and \$2500 and more will receive recognition on permanent plaques in the Magnet Building. Please consider making a generous donation to support the programs and purchases of the Foundation. Together, we can help our Wheeler Magnet students and teachers thrive and achieve!
