

# The Center for Advanced Studies Foundation 2007-2008 Fundraising Campaign

Dear Magnet Families,

The Center for Advanced Studies at Wheeler High School is quickly becoming *the* premier science, math and technology magnet high school in Atlanta. It has received national recognition, and families are choosing to relocate to Cobb County in order to take advantage of this rigorous public education option. But a good education doesn't come cheap. In order to stretch our students academically, adapt and innovate in the classroom, provide advanced training for our teachers, inspire our students, and keep abreast of changing technologies, we need your support. We are asking you to help in the upcoming 2007-2008 school year by giving your generous donation to support the many various programs that The Center for Advanced Studies Foundation provides. Here is the estimated breakdown of the Foundation expenses for next year:

**The Foundation thanks all past and future donors for your generous support!** Our goal for this year is to raise **\$25,000**, doubling last year's donations of \$12,000, in order to meet the ever-increasing demands of our rapidly growing program.

Please choose a level of annual support below.

- \$ 50 Silver
- \$ 100 Gold
- \$ 500 Investor
- \$1,000 Founder
- \$2,500 Benefactor

Some employers will match gifts to non-profit foundations. Please ask your human resources office for a matching gift form and your gift may double. Corporate gifts are also welcome and sponsor recognition is available upon request.
